FEATURES

- Enjoy the benefits and convenience that both a saltwater chlorinator and mineral purifier can provide to keep your pool sparkling clean.
- Powered by Clearwater technology, the low maintenance electrode works to help keep itself clean by reversing polarity every 6 hours.
- The Nature2 cartridge releases minute amounts of copper and silver into the water working cooperatively with the chlorine to destroy harmful bacteria and algae.
- Nature2 reduces the potential of stinging eyes and skin irritation.
- The innovative design allows easy access to check and replace both the electrode and purifier cartridge.
- The easy 'Set and Forget' system includes a digital timer to keep your pool settings constant, controlling both chlorine production and letting you know when to add salt.
- The Super Chlorination function is easily set with the press of a button perfect for times of high bather load.
- Includes a **lifetime conditional warranty** on the electrode. For optimal effectiveness the Nature2 cartridge should be changed every 6 months.
