

Zodiac Titan Series CF

water efficient cartridge pool filter

The Zodiac Titan Series CF cartridge filters are ideal for maintaining a clean and healthy swimming pool. Extremely water efficient the CF cartridge filters are ideal for pools with confined filtration setups.

ZODIAC®

a better life

Features

- Constructed from highly durable UV resistant materials
- Light weight design for ease of installation and maintenance
- Equipped with a heavy duty lid and ring lock nut for easy removal and maintenance
- Screw type air bleed for easy removal of any trapped air within the filter
- High quality oil filled pressure gauge
- Tank is covered by a 2 year warranty and 1 year on other parts

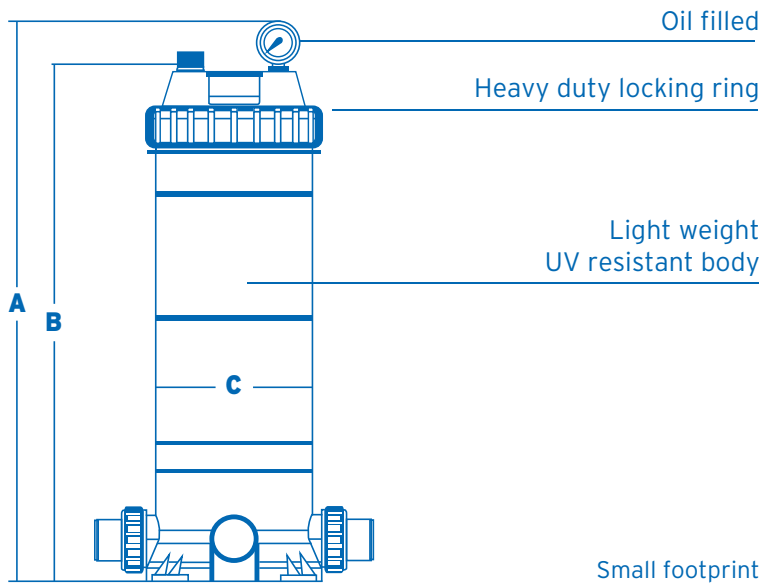

Benefits

- Compact in design with a small foot print makes the Titan Series CF cartridge filter ideal for confined spaces
- No need to backwash, simply hose down the element when required. On average each time you backwash a sand filter you are using 750 litres of water
- A cartridge filters a finer dirt particle (approx 8 micron) than a sand filter (between 15 - 25 micron)
- The element is made from Remay materials that provides superior filtration and long life
