- Swivel pads to adjust to any inclined surface
- Comfortable and safe 60cm wide steps
- Adjusts to suit any pool height from 122cm to 137cm
- UV resistant construction
- Maximum load bearing capacity 136kg
- Side safety panels prevent swimmers going behind ladder

Festiva

Easy to install, the Festiva steps are economical and practical.

- Outstanding resistance to UV rays and chlorine sanitisers
- Openings at the sides and back for water circulation
- Safe rounded slip-resistant corners and surfaces
- Two ballasting containers facilitate installation
- Deck brackets provide stability

- Adapts easily to pool bottom level variations
- Slip resistant handrails supported by a strong and safe PVC alloy
- 180kg weight capacity

Deck Ladder

A sturdy ladder enabling easy safe access to your pool

Features

- Manufactured from high quality reinforced polypropylene
- Safe steps 60cm wide
- Adjustable to pool heights from 122cm to 137cm
- UV resistant construction
- Maximum load bearing capacity 136kg
- Side safety panels prevent swimming between the ladder and pool wall

Liners

All Zodiac pools feature strengthened PVC liners with built in UV stabilisers. All Noosa Reef models have the option of the Galena or Opal hung liner design. The Paperbark, Tuscan and Surfsmist models are available with the option of a dark or light blue design, while the KD Plus pool features a unique designed liner.

Deep End Options

The Zodiac Noosa Reef, Tuscan and Paperbark ranges are all available with deep end sizes. These models give you the option of a semi in ground or a totally in ground pool at an affordable price. All deep end pools are constructed using an underground steel structure giving you the safety and peace of mind Zodiac are renowned for.

Your Zodiac deep end pool gives you a genuine structural deep end, not just a shallow bowl.

The deep end models feature a 1.32 metre wall depth in the shallow end and runs down to a 1.80 metre depth in deep end.

Zodiac Products Available

Aquasphere

The Aquasphere Automatic Pool Cleaner is the reliable solution for your pool. Suitable for both inground and above ground pools, the basic design will ensure that your pool is kept clean and clear with a minimum of fuss.

- No moving parts to jam, wear or come adrift
- The diaphragm system sucks up dirt and debris with ease
- Finned disc scrubs the pool surface
- 1 year warranty against material defects
- 2 year warranty on diaphragm
- The optional Aquasphere hose is recommended for optimal performance and is available in packs of ten, 1 metre lengths for easy storage

Power Heat Pump

Powerpac heat pumps are designed to greatly extend the swimming season by several months in most climates.

- Durable
- Whisper Quiet Performance
- Intelliheat-set & forget
- Ozone friendly & efficient

Ez Salt

Saltwater Chlorinator designed specifically for modular pools up to 60,000 litres (in mild climates).

- This innovatively designed chlorinator has been made specifically for modular and above ground pools in mind
- Uses Clearwater™ technology to produce 20grams of 100% usable chlorine gas every hour, which is immediately and safely dispersed into the pool water
- Quick set-up digital timer with maintenance function to keep your pool settings constant
- The low maintenance electrode reverses polarity to assist in keeping the electrode clean
- Power dial gives you complete control over chlorine production levels
- Features an advanced Boost function to 'shock dose' chlorine gas production at peak loads

Nature2

Nature2 is a patented mineral based pool water purifier that works together with chlorine to keep your pool water healthy, comfortable, and crystal clear.

- Works with chlorine to maintain water quality more easily
- Maintains a stronger healthier pH balance in your pool
- Reduces the potential for skin irritation and stinging eyes
- Powered by water flow
- Easy to install

Zodiac, Mastering the Elements
